The US National Anthem

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Jamaica National Anthem

Eternal Father bless our land,
Guard us with Thy Mighty Hand,
Keep us free from evil powers,
Be our light through countless hours.
To our Leaders, Great Defender,
Grant true wisdom from above.
Justice, Truth be ours forever,
Jamaica, Land we love.
Jamaica, Jamaica, Jamaica land we love.

Teach us true respect for all,
Stir response to duty's call, strengthen us the weak to cherish,
Give us vision lest we perish.
Knowledge send us Heavenly Father,
Grant true wisdom from above.
Justice, Truth be ours forever,
Jamaica, land we love.
Jamaica, Jamaica, Jamaica land we love.

Welcome to our

Message from the Consul General of Jamaica
on the occasion of the
18th Annual Dinner Dance of the
Clarendon College Alumni Association Inc., South Florida Chapter
3rd September 2016

Dear Members of the Clarendon College Family,

It is a pleasure to extend, once again, a warm greeting to you as you celebrate the legacy of Clarendon College on the occasion of the 18th Annual Dinner Dance of the Clarendon College Alumni Association Inc. Over the years, this event has provided the opportunity to raise funds for financing scholarship programmes at the school and supporting charities here in your adopted community.

In the Jamaican experience, alumni associations occupy a very important part of our culture. Every Jamaican carries a lifelong affiliation with the high school which they attended, as that particular institution laid the foundation for our adult years. Bonds of friendship, loyalty and a sense of camaraderie were cemented and fostered during our high school years. It is therefore no surprise that when we are outside of Jamaica, we tend to gravitate towards what we know best – the comfort of being around schoolmates, who share a common experience.

But, I believe that the greater significance of alumni associations lies in its role in uniting the Jamaican community in the Diaspora. Alumni associations provide the opportunity for Jamaicans to come together in support of Jamaica's future – every scholarship provided is an investment in the future of Jamaica. Every bit of support that goes to Clarendon College is tangible contribution to the education of our next generation.

The success of any alumni group is dependent to a great extent on the dynamism of its leadership and the engagement of its members, working in unison to achieve common goals and objectives. I use this opportunity to commend the President, Mrs. Bethany Powell, and members of the Executive for their unrelenting commitment to serving the Association and by extension, Clarendon College.

As you share in the evening's festivities, you not only honour your *alma mater*, but you also clearly demonstrate your love and support for Jamaica. Please accept my best wishes for an enjoyable and successful evening!

Franz Hall
Consul General

Message from the Principal

David O. Wilson

Greetings to the Clarendon College family and friends:

It gives me great pleasure to address this group , knowing how much we rely on your help and support in many of our endeavours. We continue to meet multiple challenges both in and out of the classroom, and have to meet the growing needs of a technological society. Our students continue to do well in academics, sports, and co-curricular activities, but they can always do better.

We know how interested you are in our efforts, and encourage you to keep in touch with the chapters of Past Student Associations so that you can keep informed. Next year the school celebrates its 75th Anniversary, and we are planning for significant activities in honour of our founder, the Rev. Lester Davy.

Tonight as you celebrate, I hope you feel compelled to do your part to 'Fulfill the dream', to keep Rev. Davy's candle burning brightly in the hills of Clarendon. On behalf of the students, staff and administration of Clarendon College, I encourage you to keep up the school's motto, and I thank you for all of your contributions to the betterment of your alma mater.

Master of Ceremonies

Ms. Dawn Simpson-Walters

Dawn Simpson-Walters, a 70s graduate of Clarendon College describes herself as confident black woman.

She hails from the district of Ballards River and was lovingly raised by her mother and grandfather and often times spent Summer holidays with her father Stanley Simpson of Metro Bus fame, in Frankfield, Clarendon.

After graduating from the University of Technology, she taught Accounting and Economics at the Queens and Calabar High Schools and was later the Internal Auditor for the then Jamaica Broadcasting Corporation, before migrating to the United States of America.

A devoted child of God, she is the Outreach Director for Genesis Christian Church, a member of the Worship team and serves as the Treasurer and Board Member for the Center for Growth and Development.

She has vast experience in Corporate America and currently works as the Accounting Supervisor for a major Relocation Services firm.

As a member of the PR team for the South Florida Chapter of the Clarendon College Alumni Association, Dawn is passionate about promoting its brand in order to maximize its support for the deserving students of our alma mater.

Married with three sons and a grandson, she thanks God, daily for his many blessings.

Message from the President
of the
South Florida Chapter
Ms. Bethany Jones Powell

We welcome everyone to tonight's 18th annual Fundraising Gala. Over the years the tradition has grown, and we are always grateful for the support we have received and continue to receive. Our aim is simple: to host an event where people can come together to celebrate the legacy of our impressive founder the Rev. Lester Davy, while raising funds to continue his work. He founded the school with that simple yet eloquent promise, that he would light a candle: "...whose flame shall never be put out." Just like that other legendary hero Rev. Martin Luther King Jr., Rev. Davy had a dream. His dream was to provide an educational opportunity to the children of the farmers of Clarendon.

We have been raised on the knowledge that education will provide many of the tools necessary to succeed in life. And we have been charged with the task of keeping Rev. Davy's flame burning, and keeping his dream alive. I hope that this weekend as you reconnect with old friends, and make new ones, you will appreciate all of the blessings you have received in life, and feel compelled to do your part to "Fulfill the dream!"

Have a wonderful weekend, Family!

Executive Board and Members of the South Florida Chapter

Message from the President

of the

Jamaica Chapter

Ms. Angela Sterling Spencer

Clarendon College South Florida Alumni Association, Inc.

It is indeed my pleasure as President to bring greetings to you on behalf of Clarendon College Past Students Association, Jamaica, on this the occasion of the 18th Anniversary of the Florida's Clarendon College Alumni Assoc. Some would say, you have now come of age, and with age comes great responsibility; one which you have exemplarily displayed over these years notwithstanding your age. I must therefore say a big *THANKS* for the significant contribution and support (financial and otherwise) that you have given to us and our beloved alma mater.

But, what an appropriate theme for this year, ***"Fulfill the Dream"*** and we have so many dreams, dreams for ourselves, our alma mater and others. As far as the Olympics goes many of the athletes prepared to fulfill their dreams; yes, some did and some didn't and sometimes we know it is not so much fulfilling the dream but the journey in achieving the dream. So Usain Bolt had a dream and has fulfilled his dream of being the ***Triple Treble Champion*** which makes him **L3G3NDARY** in achieving this feat and making us proud. He may have subscribed to something like this; *"The heights of great men reached and kept were not attained by sudden flight, but they while their companions slept, were toiling upward in the night".*

So I leave that with you, as it says to me that it is not only PREPARATION, but also SACRIFICE and COMMITMENT that is necessary for us as individuals and collectively to **FULFILL THE DREAM.** Therefore, continue to be a beacon here in South Florida, continue to live your dreams and continue your support to your much loved Clarendon College.

As you get closer to thoughts of home, please be reminded of the 75th Anniversary Homecoming event in July 2017 (23-29) where we are looking for maximum support in attendance by our past students and would love to see you there. The school is not without its challenges however, there are areas of improvements and we are seeking to build on these and eliminate the negatives at the same time.

Unfortunately we have lost several alumni in the past year. While reflecting on their lives, let us remember, time is not promised to us so please, continue to build and maintain great relationships while we "give back" to a place that means so much to so many.

Have a great 18th Anniversary Dinner Dance and a wonderful fun filled weekend. All the best for the Chapter in the years ahead and 'nuff' success with your plans.

PERSTARE ET PRAESTARE!

Message from the President

of the

New York Chapter

Ms. Peggy Purchase

Congratulations to CCAA Florida on this your 18th year of hard work and dedication to our beloved alma mater. I know that sometimes the struggle to get things done and to obtain feedback can be disheartening. However, as you push forward, remember the struggles of those before us who gave to the school so that we could benefit when we were students. Then, think of all of the students you are currently creating new opportunities for. We work for the benefit of these future generations. Through your alumni association you are paving the way for Jamaica's future doctors, teachers, nurses, lawyers, scientists, athletes and prime ministers. These students, we hope will enhance the legacy of Clarendon College and based on our example will give for the benefit of the students who will follow them. With that being said we cannot falter or be deterred from our organizational goals despite any of the challenges we are facing. Our challenges are minimal in comparison to the students who we are helping through the funds we generate. Congratulations again and thank you for all you do. Hope your celebration will be a huge success and congratulations again on 18 years.

Message from the President

of the

Atlanta Chapter

Dr. Hyacinth Broderick-Scott

"Education is the most powerful weapon which you can use to change the world" ~ Nelson Mandela

My fellow alumni and friends of the South Florida Chapter, greetings once again from the team members of the CCPSA in Atlanta! It is my pleasure to extend congratulations to you as you celebrate your 18th anniversary. Over the years we've come to recognize how important these gatherings are. Not only do they allow us to raise funds to provide scholarships for students in need, they allow us to renew old acquaintances, form new friendships, reminisce about our days in high school, and just have fun.

As past students and friends of Clarendon College, we understand the importance of a good education. Nelson Mandela was so on target when he said "Education is the most powerful weapon one can use to change the world." We share that sentiment and that is why we join you in your efforts to provide scholarships for students in need of a good education.

As we strive to pave the way for the current students, we feel blessed to be able to look back with fond memories of our days at CC, where we were presented with some great opportunities. Today, we are proud to call ourselves past students of this prestigious institution, and we owe it to them to ensure that they too are blessed with a good education, fond memories of their own and even greater opportunities. Tonight I challenge you to take a moment to ask yourself "Am I doing all that I can to help the students of my alma mater in their pursuit of the education they so deserve?" I hope you'll have an enjoyable evening!

South Florida Chapter Activities 2015-2016

The South Florida Chapter continues its mission of supporting local charities as well as our illustrious alma mater. We supported the events of other high school alumni associations locally, and participated in the fundraising Walkathon along with the Coalition of Jamaican Alumni Associations. Throughout the year we had several fund-raising dances such as our annual Spring Sinting, and last year we had a joint venture with Friends of KTHS, a 'Town and Country Christmas Party' at Waterfalls Restaurant and Lounge. We participated in community events such as volunteering at the local food bank of Feeding South Florida, continuing the legacy of reaching out to those less fortunate than ourselves.

In November 2015, Ms. Dawn Simpson Walters represented the chapter at the school's annual Prizegiving Ceremony, and was proud to see the consequences of our contributions.

In January we started the year at the Beulah Church of God where our own alum Rev. Luke Lawrence gave a warm welcome and a meaningful message to our representatives and the congregation. We had an excellent turnout! The story of the Rev. Lester Davy and his flame of inspiration continues to burn brightly.

We showed our support at the events of our sister chapters around the country whenever possible.

In May, President Bethany Jones Powell and her parents, Rev. & Mrs. Pearce Jones, were honored by the New York Chapter in a touching tribute.

Toronto Chapter Event

Chefs hard at work!

The most meaningful activity of the year will always be the review of the Scholarship applications. We get a chance to imagine the lives of those students that we are helping, and read about the impact of our work. Like any of our Jamaican gatherings, the exercise is enhanced by good food and music!

We look forward to many more such opportunities to work together, and do our part to....*Fulfill the Dream!!!*

Theme: Fulfill the Dream!

Fulfill the Dream

We all have dreams and we all have goals
There will be highways and there will be tolls
Things to stop us and things to make us grow
But what happens tomorrow nobody knows.
Today is a new day, set a new goal
Just do what's required and do what you're told
You make your own future by what you do and say
Take my warning and be a better person today.
If you want something don't just wait for it, work for it
Don't just stop your progress because of problems
Take your time, focus and resolve them
In life there will be struggles and there will be falls
But God our one and only knows all
God won't give you mountains you can't climb or weights you can't manage
You just need to think it believe it and you can achieve it
You can't get what you do not work for
You are your own future
Create your tomorrow!

Fulfill the Dream

All students from near and far
Try their best to be great stars
They go to school and try not to play
But to learn new things throughout the day
Some do this by reading poems
Or reading books during lunchtime
Reading over all the notes
That's the way I learn the most
So when it comes time for the test
We all try to do our best.
Clarendon College is great too
We fulfill the dream at our school
Perstare et Praestare
Which means to persevere and excel
Is our motto fairly well
We promise to do as said
We try to fulfill that for sure
With everyone heading for gold
So no fighting or breaking the rules
As we try to make learning cool
And fulfilling the dream at our school.

Acknowledgments

So many people to thank! The Marriott, Coral Springs hotel provided a marvelous venue for our dinner dance, and a resting place for our guests; the owners of Krave, who hosted our 'Meet n Greet' event for the first time, we could not have done it without you. Our resident DJ—C-Roy the Entertainer, along with our cocktail hour singer, Mr. Richard Walters, thanks to them we can relax and enjoy the evening. Camile Brett, our printer, always does quality work. Local business and industries such as Grace Kennedy, Jamaica; Carl's Seafood; Taste-Rite; Silver Springs water; all of these and more have generously donated items to help in our fund-raising ventures. There are those who have made anonymous contributions to whom we are extremely grateful.

Please be sure to patronize those businesses who have supported us by placing ads in this magazine, and mention where you saw the ad! We also thank those who have done anything which has made this weekend more enjoyable and successful through their efforts.

To those who have joined us this weekend to provide their support to our cause, we are humbled as always by the outpouring of love and generosity. To those who did not attend CC but support us as if they did, along with our vast family of CC past students and teachers, we thank you for your loyalty and commitment. To the hard working members of the CCAASF, and all those who volunteer and respond to our call: One Love!

What We Do

It may be nearly impossible, problematic, or even lethal to operate a vehicle that is in need of a repair or maintenance service. In such cases, you will incur more cost than what the original repair would have been. Additionally, according to news reports and industry studies, 9 out of 10 personal vehicles on the road have at least one maintenance or repair service that has not been performed. Some of these items are serious safety concerns or might seriously affect the cost of operating your vehicle. The solution…? Eakaan Automotive Inc, boasting over 24 years of experience in the automotive industry and a customer satisfaction rating that's second to none. We are a full-service repair shop servicing both foreign and domestic vehicles. Give us a call today, and as always, excellent service is our guaranteed commitment.

DEALERSHIP-LEVEL DIAGNOSTICS & REPAIRS

About Us

Our workshop is equipped with the latest technology and we consistently remain abreast with industry developments and standards. We perform on-site transmission, engine, drive line repairs and much more. We administer detailed vehicle diagnostics, emissions-readiness checks and high standard preventive maintenance services. You can have your vehicle diagnosed and repaired while yo watch TV, browse the internet using our FREE Wi-Fi or watch educational auto-related videos in our clean and comfortable waiting area.

Our Services

- Fuel/Air Induction Service
- Lubrication & Fuel Service
- Transmission Service
- Motor Repairs
- Maintenance & Tune-Up
